

How to make your UPM snowflake

- 1) Print the template in A3 or A4.
- 2) Fold the paper following the guidelines.
- 3) Make sure the folds are tight.
- 4) Use scissors to cut out the parts marked in grey.
- 5) Rotate the folded paper for easier access to the different angles.
- 6) Use a craft knife to finish the corners.
- 7) Carefully open the folds to reveal your finished snowflake.
- 8) Share your snowflake with us using the hashtag #upmsnowflakes.
